

The League of Veteran Racing Cyclists

**2011 Handbook
& Calendar of Events**

The League of Veteran Racing Cyclists

Founded by Percy Stallard and Eddie Cook in 1986

Objective of the LVRC

The provision of a programme of competitive and social cycling events for male and female members of 40 years of age and over.

Statement of Policy

The League of Veteran Racing Cyclists came into being to provide male and female members of 40 and over with competitive and social events, competition being in the form of age-related road races where riders compete against others in their own age groups.

Competitors in LVRC events must be members. The subscription provides membership from 1st September of any one year until 31st December of the following year. Each member is covered for third party insurance while riding in LVRC events and social activities of up to £5,000,000 indemnity.

There is no duplication with other cycling organisations so our members are free to join any other body as they wish. They can also be amateur or professional.

The LVRC is administered by an Executive Committee elected annually at the AGM which takes place in October each year. The Executive Committee has the power to take decisions on behalf of the LVRC and may make or modify any regulations if this is considered necessary. However, such decisions may be overridden by the next AGM or by a SGM called for the purpose.

Each region of the LVRC is administered by a regional committee. Members are always encouraged to put forward suggestions for the improvement of the LVRC and its regulations and any such suggestions should be sent to the Chairman for consideration by the Executive Committee.

We look forward to welcoming to our ranks all those interested in age-related racing.

The 2011 Annual General Meeting of the LVRC will be held on Sunday 9th October 2011 at 2.00pm. Victory Club, Napton, Warwickshire, CV47 8LT after the TT championships. Buffet Lunch at 1.15pm.

Executive Committee 2011

Rules of Racing

RACE CALENDAR

1. Approval for a race date shall be obtained from the National Event Co-ordinator. Each application shall be accompanied by a payment of £20 per event for inclusion in the National Handbook Calendar of Events and for race insurance.

POLICE PERMISSION

2. The responsibility for making a race application to the appropriate police authority lies with the race promoter or promoting organisation and shall be made directly by the race organiser.

3. Applications using the appropriate LVRC forms must be made to all police authorities through whose area the race runs, at least six weeks in advance, giving details of course, date, starting time, etc. Copies of the police approval documents and race programme shall be sent to the respective Police Headquarters and local police at least seven days before the event.

HIGHWAYS REGULATIONS

4. All events on the public highway must be held in accordance with The Cycle Racing on Highways Regulations 1960 (and 1980 and 1995 Amendment Regulations).

5. All courses or circuits must be approved by the police.

LVRC RACE LICENCE/MEMBERSHIP

6. All British riders in an LVRC event must be members of the LVRC at the time of entering and riding an event. LVRC Racing Licences must be produced by all British entrants at the time of signing on to obtain a race number which must then be worn on the race jersey for the duration of the event.

RESULTS

7. Two result sheets must be sent to the National Results Coordinator and to all who supply a stamped addressed envelope for that purpose.

LVRC TROPHIES

8. LVRC championship trophies are perpetual and remain the property of the LVRC. Members are responsible for arranging the return of any trophy won by them to the LVRC Quartermaster before the next year's running of the event concerned.

EVENT PRIZES

9. LVRC policy is that **all** income from event entries, less levies and expenses, should be distributed as prizes. As a minimum, prizes must be given to the first three in each age category, the only exception being handicap races.

RACE FINANCE

10. A Balance Sheet, together with any profit from the event, shall be sent to the Regional Treasurer as soon as possible after the event.

AGE CATEGORIES

11 (a). LVRC categories are designated as follows: A, 40-44; B, 45-49; C, 50-54; D, 55-59; E, 60-64; F, 65-69; G, 70-74; H, 75+. Members will change category on **their appropriate birthday** and when entering races must quote the age category that they will be in on the day of the race.

11 (b). Lady members will normally ride in the category appropriate to a man 10 years older (i.e. 2 groups higher), including championship races.

12. All members are encouraged to ride in a category in which they feel comfortable. Therefore those who wish to do so because of varying ability may at any time enter to ride with a different age category (except in the case of championship events). Riders competing in an older category shall not be eligible for a prize.

13. Championship road races will be run for each category and medals, provided by the LVRC, will be awarded to the first three in each category, together with the LVRC championship jersey to the winner of each category. All categories shall race in separate events, except where the number of riders does not justify it.

14. Where race finances allow recognition should be given to the first three in each age group and the first three in each race.

15. The age and/or category entered for each rider must appear on the start sheet and on the signing-on sheet.

VEHICLE WARNING SIGNS

16. Official vehicles required at all events on public roads are: lead vehicle, which must carry signs stating 'CARE

CYCLE RACE APPROACHING', a Race Controllers vehicle and a vehicle carrying a race official and a first aid attendant. All vehicles must carry a LVRC 'CYCLE RACE OFFICIAL' sign and a rear pointing sign stating 'CAUTION CYCLE RACE IN PROGRESS'.

SIGNING ON SHEETS AND LVRC LEVY

17. LVRC signing-on sheets must be completed in duplicate. The organiser must hand the bottom copy to the Chief Judge at least ten minutes before the start of the event. The top copy, together with 50p LVRC levy for every listed rider, must be sent to the Regional Treasurer, **as soon as possible after the event**, for retaining for the legal time requirement of six years.

18. All competitors must leave their current LVRC racing licence with the signing-on controller and sign on before receiving a race number. Licences will be returned to competitors when their race numbers are handed in after the finish of the event.

PROTECTIVE HEADGEAR

19. The wearing of hard-shell helmets is mandatory in all events held under LVRC events. **This must be stated in all LVRC programmes.**

20. **Tri-bars.** Tri-bars and Spinaci-type bars are not allowed in LVRC road races or stage races.

ENTRIES TO EVENTS

21. The standard entry fee for all one-day events shall be £8.

22. For stage races, the entry fee shall be at the organiser's discretion.

23. The closing date for entries shall be two weeks before the day of the event. Entries to be accepted for all events on the basis of first received, first accepted. The only exception to this rule is that there is a three week closing deadline for entries for all Percy Stallard and National Championship races.

24. All entries must be accompanied by a stamped addressed envelope.

ENTRIES ON THE DAY

25. Entries on the line are at the event organiser's discretion and can only be accepted if a full field of riders has not signed on. All entries on the line will always be subject to the following conditions:

- A. Existing members must fully complete an LVRC Standard Entry Form and pay double the standard race entry fee before being allowed to sign on.
- B. Non-members must complete both the LVRC Membership Application Form and the standard race entry form. They pay the membership fee current at the time, and double the standard race entry fee before being allowed to sign on.
- C. Foreign riders who permanently reside outside the UK will be granted free day membership on completion of the LVRC Membership Application Form. Organisers please mark form 'Foreign Rider' before sending it to the National Registrar. They must also complete the standard race entry form and pay double the standard race entry fee before being allowed to sign on, except for overseas riders with ICF licences who will pay only the standard entry fee.
- D. As soon as possible after the event the Organiser must send all new LVRC Membership Application Forms and fees to the relevant Regional Registrar.

SUSPENSION FOLLOWING POSITIVE DRUGS TEST

26. A rider suspended by another cycling governing body as a result of a positive drug test is barred from competing in LVRC events during the period of his/her suspension.

Recommendations for Events

EVENT ORGANISATION AND SAFETY MANUAL

The manual will be issued to each event organiser by the Regional Event Co-ordinator. It is also available to download from the LVRC web site.

The Manual has 5 Sections:-

1. Guidelines for Race Organisers

Covers all aspects of road race organisation from initial application to final presentation of accounts

2. Risk Assessments

All you need to know about completion of risk assessments including generic and specific examples

3. Police Notification

Examples of and recommendations for event approval

4. Cycle Race Regulations

The Cycle Racing on the Highways Regulations, 1960 (and 1980 and 1995 amendments)

5. Race Organisation and Safety Forms

All the forms needed for LVRC events.

SPECIAL NOTICE

L.V.R.C. CYCLO CROSS EVENTS FOR 2011

After the success of the 2 events organized by Region 7 last year we hope to promote another National Championship this year. It is hoped that other organizers will offer to promote additional events this winter to back up the National event. Please see the Veteran Leaguer and the Website for final details of the National and any other events that are being organized. It is suggested that Saturdays are the best days for these events as they are less likely to clash with existing BCCA promotions. The BCCA list will be available around end April and Mick Ives will be pleased to offer any advice and help that may be required.
Mick can be reached on 02476 304009.

or from: **Harald Bauman, A-6380 St Johann in Tirol, Postfach 77, Austria.**

Entries on the line accepted.

UCI abandons Masters Racing

Following 2010 events at St Johaan it was announced that in future the races would no longer be UCI Masters Championships. The statement from St Johaan was that UCI had abandoned Masters racing, UCI have continued to deny that this is the case.

The facts are that UCI have made changes and Masters Racing no longer features on their web site and is now subsumed in "cycling for All" This follows from a meeting held in Birmingham England in June 2010.

"The UCI Management Committee approved a new concept in the development of cycling for all. Cycling for all, fully in line with the philosophy of the International Olympic Committee (IOC), aims to encourage as many people as possible to take part in cycling, whether as a competitive sport, for leisure or as a healthy and environmentally-friendly means of transport. The new concept mainly concerns establishing a series of mass-participation events allowing qualification for a final round, both on road (UCI Gran Fondo and UCI Masters Road World Championships) as well as mountain biking"

Since this announcement there has been no evidence that any National Organisation has volunteered to promote any of the events which would make this concept a reality. You would have to stretch the imagination to believe that it will ever happen.

St Johaan has always been a major European event and ran successfully before UCI involvement. Bob Maitland and Dave Orford were both World Champions in the days prior to 1992. All that happened with UCI involvement was an increase in prices, a change of Championship Jersey from the traditional hoops on white background to hoops on blue background and finally insistence on membership of national UCI body (BCF)

Previously for world cup races any licence was accepted (LVRC TLI), for the masters world championship a UCI licence was required but this could be purchased as a "Day Licence"

Arrangements at St Johaan for 2011 are still unclear, particularly the licence issue. The web site indicates that they are forming there own "World Masters Cycling Federation"

Announcements will be made on www.masterswm.org

LVRC National Champions 2010

	Pos.	Road Race	Criterium
